

# Diabetic Youth Services

## A Special Invitation from the Domenigoni Family

Dear Friends and Merchants:

Our family has hosted the Domenigoni Ranch Charity Ride for Diabetes to benefit two reputable diabetes organizations in our community, the American Diabetes Association and Diabetic Youth Services, Inc. Together, with the support of the community we raised over \$800,000 for diabetes research, education, and to send young people with this difficult disease off to summer camp for a rewarding and enriching experience.

The work and time put into this event has been rewarded ten-fold with the success of the rides both in dollars raised and in a good time had by all. We enjoy the challenge of putting on a big party to benefit such a worthy cause. In view of that, we are in the planning stages for the 2009 **Domenigoni Ranch Charity Ride for Diabetes**. Our upcoming ride will be held on Saturday, May 2, 2009. We invite you and your business to join our community in this fight to end the reign of terror that diabetes brings forth.

Strides continue to be made in the treatment of diabetes. Our young friend Ashley, who has faced the constraints and frustrations of diabetes for 19 years, is on an insulin pump to enable her to have the freedom from a strict daily regiment of multiple insulin injections. However, Ashley is not free of this terrible disease. She must remain on insulin for the rest of her life, unless a cure is found. Like the nearly one-half million people with diabetes living in the Inland Empire, Ashley would like to be free of insulin and the fear of developing the devastating and life-threatening complications caused by diabetes.

You can help by supporting the Domenigoni Ranch Charity Ride for Diabetes and becoming a sponsor. Enclosed is a sponsorship menu with numerous opportunities. On the morning of May 2, 2009 over 300 riders on horseback will ride the trail and be joined by another 500 friends from our community in the evening for a barbecue, dance, and celebration. For your generosity, your company will receive a great deal of exposure and recognition while joining in the fight to end diabetes and provide programs for children and families with diabetes.

Hosting and participating in this event continues to be a very rewarding experience for our entire family. Join us in our fight against diabetes. Please make checks payable to Diabetic Youth Services, Inc., whose federal tax identification number is 95-3897543.

Warmly,

The Domenigoni Family
